15 EXPRESS LANES UPDATE

Project features

- Two express lanes in median, both directions
- Approx 15 miles –
Route 60 to Cajalco Road
- Widening 11 bridges
- Multiple entry/exit points
- \$472 million investment

Benefits

- 3,300 construction jobs
- Expands travel choices
- Supports future express bus service
- Carpool discounts
- Travel time reliability

Construction milestones

- Began work spring 2018
- Overall design-build effort is 63% complete
- Construction expected to be complete second half of 2020

Construction highlights

- Widening of Santa Ana River Bridge – Last girder delivered Nov. 14
- Paving in median complete north of 91
- Paving occurring south of Ontario Ave.
- New overhead signs installed
- Continuing drainage, electrical, tolling infrastructure work

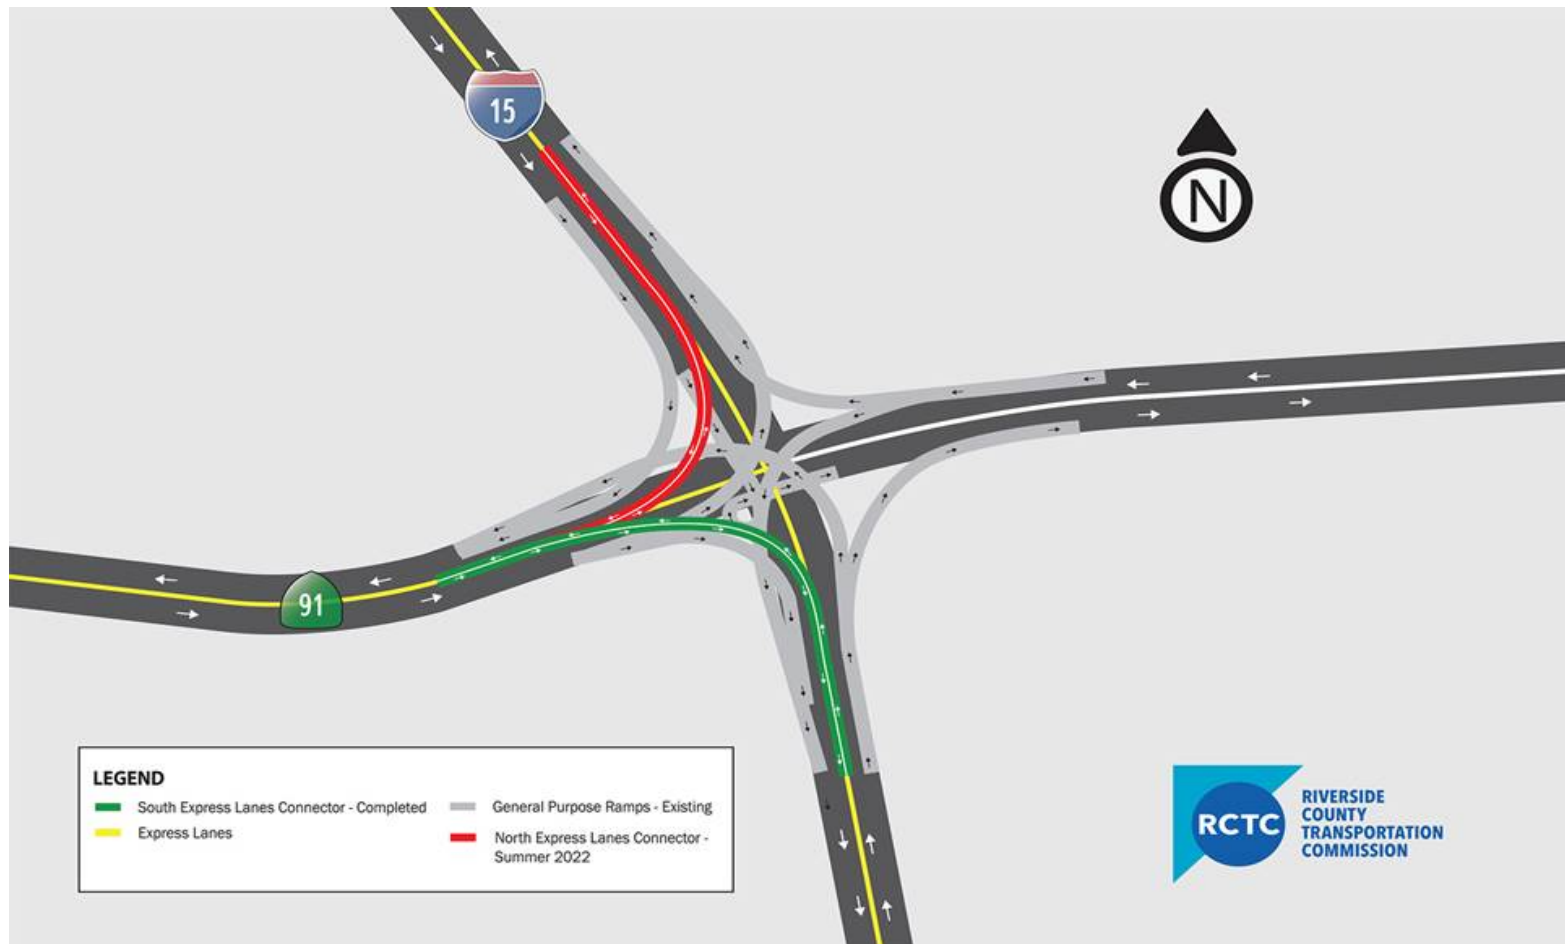

Safety: Our top priority

- 55 mph speed limit – fines doubled in construction zone
- Orange barrels mean that lanes are closed – DO NOT drive in median – workers are present
- Watch for lane, ramp closures
- RCTC funding Freeway Service Patrols
